Martine House

Lecture - "My Work is Me"

Workshop - Silk Ribbon Embroidery Box

July 17th 9-3

Martine House was born and educated in France, but moved to the US in 1983. She has been teaching quilting and embroidery, as well as writing since 1989. She teaches all over the USA, France and other countries, and on the Internet through "Quilt University."

Her work has been shown in many juried and non-juried exhibits and has received numerous awards. She has also had her work featured in group and solo exhibits in galleries and museums. She has pieces in private and public collections in the USA, France and Australia.

She periodically writes articles for French magazines and regularly translates the French quilting magazine Magic Patch into English. She is the author of three books in French. She also writes articles and reviews for her English/French website. Her work has been featured in articles and books written by other artists.

In her lecture "My Work is Me," a slide/trunk show, she will be sharing more recent work in which she uses both a traditional and non-traditional format. She will share not only the pieces, but also where they came from and how they evolved.

Coming soon...The National Quilt Day Challenge for 2010

It will be introduced at the July guild meeting. Our quilt show will be over and hopefully you'll be ready to think about making a new quilt. We'll try to get your creative juices flowing.

If I stitch fast enough would it count as an aerobic exercise? -Anonymous

June 2009 WNCQG Board Meeting Cancelled

WNCQ Guild Meeting Minutes

June 28, 2009

The June 2009 meeting of the Western North Carolina Quilt Guild was called to order at 9:305 a.m. by president Cathy Choisser, at Trinity Presbyterian Church.

New members and guests were welcomed.

The minutes of the May meeting and treasurer's report were approved as printed in [Grainlines](#).

UFO: Jean Jones drew No. 1 for the UFO challenge for the month. (Drawing will be at Nov. meeting.)

Programs: Ann Jacoby reported that there is room in the July 17 workshop for Martine House. There is no supply list; there is a \$15 kit fee. The September class for Dee Dee Triplett is full.

Quilt Show: Bonnie Cunningham and Karen Krupa reminded the membership that the show begins June 24 with setup and the show from Thursday, June 25, through Saturday, June 24. Kay Thomas informed the membership about how to enter the East Henderson High School campus. There have been 65 quilts donated for the Quilt Auction with more being turned in during the meeting.

Area 8: Kathleen Lambert reminded Area 8 members who are making quilts for Camp Bob that they would have to be turned in at the next area meeting. The quilts will be taken to the camp on July 30.

The meeting ended with Show and Tell. Meeting adjourned at 10 a.m.

Linda Cantrell entertained the membership with a delightful presentation of her quilts and how she improved some of them by correcting mistakes that she had made.

Respectfully submitted by Kitty Etterman, Recording Secretary

Guidelines

- ◆ List ten UFO's you want to finish and tick off the progress to date, (see charts in any past newsletters for reward points)
- ◆ Make as much progress on the featured number of the month
- ◆ Report your progress to Jean Jones and collect a well deserved "success" prize*
- ◆ If you complete a project, enter the ***Grand Prize Drawing!***
- ◆ Challenge will end with the Grand Prize Drawing at the November Guild meeting
- ◆ Be sure to register for each finished project
- ◆ Your presence in November not necessary to win, *but* you must register each finished UFO.

Each meeting, we will draw a new number. Work on that numbered project all during the month. Start at any point at anytime. No real pressure or guilt, just a little gentle motivation?

**Lagniappe* = Pick up your personal pair of UFO antennae at the next guild meeting and wear them in your sewing room to inspire you as you work on your project.
